APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source, the grant being limited to the use of water for domestic and power purposes only, such water to be returned to the stream at the point indicated in the application. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use; and not to exceed One (1.0) cubic foot per second.

Actual construction work shall begin on or before July 22, 1917.

Proof of commencement of work shall be filed before August 22, 1917.

Work must be prosecuted with reasonable diligence and be completed on or before July 22, 1918.

Application of water to beneficial use shall be made on or before November 22, 1919.

Proof of the application of water to beneficial

use must be filed with State Engineer on or before December 22, 1919.

Proof of labor filed

AUG 21 1917

WITNESS MY HAND AND SEAL this 22nd day
